Millbrae Education Foundation  
Better Schools • Better Kids • Better Community

The Millbrae Education Foundation is a broad based volunteer organization that provides funding to enrich and sustain quality education for all students in the Millbrae School District.

The Foundation's vision is to be the leading community-based organization that enhances the education of all students in the Millbrae School District through private support. We are dedicated to providing vision, leadership, and financial resources that ensure that our children receive the highest quality education.
